PRIVATE BILL NOTICES.

NOTICE.

NOTICE is hereby given that application will be made to the Legislative Assembly of the Province of British Columbia at its next session on behalf of the City of Victoria for an Act to the effect following, viz.:—

1. To confer upon the Municipal Council of the City of Victoria power from time to time to make, alter, and repeal by-laws for any of the following purposes, or in relation to matters coming within the classes of subjects hereinafter mentioned, that is to say:—

(1.) For regulating the location, construction, and use of huts, shacks, sheds, garages, barns, and other buildings which, if unrestricted as to location, tend to reduce the value of assessable property:

(2.) For prohibiting, licensing, and regulating tents and the location, erection, construction, and use thereof in the City of Victoria and in any parts or areas of the said city:

(3.) For permitting areas or openings to be constructed in or under any sidewalks and streets in the City of Victoria, and to make and collect an annual charge for the use of any such areas or openings previously constructed or hereafter to be constructed of such amounts as the Council may deem reasonable:

(4.) For compelling owners or occupiers of lumber-factories, sawmills, slaughter-houses, shoddy-mills, crematories, tanneries, rag or bone works, laundries, electric-light works, and carpet-cleaneries, and of any other place where any manufacturing or trade process whatsoever is carried on in connection with the operation of which smoke, dust, or effluvia is caused or produced, to install and maintain such chimneys or other apparatus as shall consume the smoke, dust, or effluvia, or prevent the same from fouling the atmosphere, or being carried by the wind or otherwise to other shops, houses, or premises, to the inconvenience or injury of the neighbouring premises or residents therein:

(5.) For regulating the distance from the centre of the street of all buildings hereafter to be built upon lands abutting upon any street in any specified areas within the City of Victoria, and prohibiting the erection of any such building except at such distance from the centre of such street in any specified area as the Council may deem advisable:

(6.) For regulating the measuring or weighing (as the case may be) of butter, bread, potatoes, milk, and other articles of food, and for seizing and forfeiting the same when of light weight or short measure, and for imposing penalties for light weight

or short cut or short measurement in any cordwood, firewood, coal, or other fuel, and in butter, bread, potatoes, milk, and other articles of food:

2. In the event of the Council of the said Corporation of the City of Victoria undertaking as a work of local improvement the opening, widening, or extending of any street within the City of Victoria, and for such purpose it becomes necessary for the Council to enter upon, expropriate, take, and use any lands or real property or interest therein in accordance with the provisions of the "Municipal Act" and amendments thereto, the said Corporation, while entitled immediately upon issuing the notice mentioned in section 399 of the "Municipal Act" to take possession of, use, and enjoy the said real property or interest therein, shall not be under obligation to pay the compensation therefor to the respective owners in a lump sum, but at the option of the said Corporation, to be indicated by a resolution of the Council to that effect, the said amount shall be paid in equal instalments and in the same number of instalments as those by which the special assessment shall be made payable as set out in the report required by section 30 of the "Local Improvement Act," and said instalments shall be included in cost of the work to be specially assessed in accordance with the provisions of the "Local Improvement Act." The Corporation shall pay to the respective owners interest at the rate of six per centum per annum on all unpaid instalments yearly, said interest to be paid out of the general revenue of the Corporation and not to be included in the special assessment.

3. In the event of the Corporation of the City of Victoria exercising any of the powers conferred by section 53, subsection (28), of the "Municipal Act," of entering upon any lands within the said municipality and digging the ground and constructing tunnels and underground conduits, and carrying wires, cables, and necessary fittings and apparatus therein, and placing poles upon the said lands and attaching thereto wires and other telephone apparatus, and affixing the same to buildings and other improvements upon the said lands, and carrying said wires over and across said lands and improvements, and operating, maintaining, altering, and replacing the same, and for the purpose of construction, reconstruction, operation, alteration, and maintenance and repair from time to time entering upon the said lands, and the Municipal Council of the said Corporation passing a by-law expropriating the said rights above mentioned or any of them in respect of any lands within the limits of the City of Victoria, it shall not be necessary for the said Corporation to procure any grant of such right and easement, but the Corporation shall file in the Land Registry Office at Victoria a certified copy of the said by-law, accompanied by a plan certified under the hand of the City Engineer of the city showing the lands in respect of which the said rights and easements have been expropriated thereunder, and also accompanied by plans and specifications of the work proposed to be done thereon; and thereupon the rights and easements expropriated under said by-law shall forthwith vest in the said Corporation and its assigns, and registration of the title acquired under said by-law shall not be necessary. For the exercise of any of the said powers the said Corporation shall pay such compensation as may be agreed upon, or, in the event of failure to agree, shall pay such compensation as shall be determined by arbitration in the manner directed by Part XV. of the "Municipal Act." The notice required by section 399 of the "Municipal Act" shall be deemed to have been sufficiently served upon all owners and persons interested in said lands if the same, addressed generally to the owners and persons interested in the various lands affected by the said by-law, be published for at least eight consecutive issues in a newspaper published in the City of Victoria.

4. The Council of the Corporation of the City of Victoria shall consist of a Mayor and ten Aldermen. The said municipality shall not be divided into wards, and the Mayor and all Aldermen shall be elected from the city at large.

The nomination and election of the Board of School Trustees of Victoria shall be held at the same time as the municipal nomination and election of Mayor for the said City of Victoria as hereinbefore in this Act provided."

11. DOMINION ORDERS IN COUNCIL.

[2862.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 17th day of November, 1913.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 13th November, 1913, that an inspection by an officer of the Department of the Interior has been made of the timber on the coal reserve, controlled by the Dominion Government, situated near Morrissey, in the Province of British Columbia, containing an area of 5,000 acres, and a report received to the effect that as the probability is that this timber may, sooner or later, be destroyed by fire, owing to there being several railways in the vicinity and a number of camps which keep a continual stream of foreign labour on the move, the said officer recommends that it be disposed of.

As this reserve is not included in those portions of the Province of British Columbia covered by the regulations governing the disposition of timber on Dominion Lands, established by Order in Council of the 1st July, 1898, and subsequent amending orders, the Minister recommends that he be authorized to dispose of the timber thereon, under licence, at public auction, under the provisions of the regulations above referred to, with the additional provision that the Government of Canada reserves the right to enter upon the coal reserve at any time and conduct mining operations thereon and to remove any timber necessary in such operation and in constructing roads in that connection, on the condition that the Government will pay the licensee of the berth the value of any timber necessarily cut, of a diameter of ten inches and upwards at the stump.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
de4 *Clerk of the Privy Council.*

[2959]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 27th day of November, 1913.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by clause 91 of "The Dominion Lands Act," which Act came into force on the 1st September, 1908, provision was made that, "in the event of letters patent issuing to or in the name of a person who is dead, they shall not be therefore void, but the title to the land thereby granted or intended to be granted shall vest in the heirs, assigns, devisees, or other legal representatives of the deceased person according to the laws in force in the province in which the land is situate, as if the letters patent had issued to or in the name of the deceased person during his lifetime."

And whereas "The Dominion Lands Act" does not apply to the Railway Belt of British Columbia, which is governed by the "Regulations for the disposal of Dominion Lands within the Railway Belt in the Province of British Columbia," established by Order in Council of 17th September, 1889, and amendments thereto, which regulations do not contain any provision for the issue of letters patent in the name of a deceased person;

And whereas a case has arisen in which it is expedient to issue letters patent to a deceased settler, and it is considered advisable that the above-mentioned provision should apply to the Railway Belt:

Therefore His Royal Highness the Governor-General in Council is pleased to order as follows:—

The "Regulations for the disposal of Dominion Lands within the Railway Belt in the Province of British Columbia," are hereby amended so as to provide that in the event of letters patent issuing to or in the name of a person who is dead, they shall not be therefore void, but the title to the land thereby granted or intended to be granted shall vest in the heirs, assigns, devisees or other legal representatives of the deceased person according to the laws in force in the Province of British Columbia as if the letters patent had issued to or in the name of the deceased person during his lifetime.
